

Bath Charter Township Parks & Recreation Cardio Drumming, Music and Movement for Kids 2019

Students in grades 1-5, join Ms. Fornari for an hour of Cardio Drumming, Music and Movement for Kids. Class will include cardio drumming, pool drumming, music and movement with the use of scarves and pool noodles. Instructor Fornari has a background in teaching, music and movement and is eager to share her talents with you. Class will be held from 4:00-5:00 p.m. on Mondays beginning April 1. Students will report to the gym immediately following the school day and are expected to arrive with clean gym shoes, clothing providing for ease of movement (sometimes you will be on the floor) and an attitude that says, "I am willing and ready to participate." Registrants unable to participate for the full 60 minutes will be expected to walk the perimeter of the gym.

Participants are encouraged to bring their own water bottle.

The youth Scholarship Assistance Program fund is available for this program. To qualify for a scholarship, families must present documentation that their student participates in the free/reduced lunch program at school.

Parents, it is essential that your student is checked out with the instructor promptly by 5 p.m. in the Bath Elementary gym.

If school is released early or closed, the class is cancelled and can be made up on the next available date at the end of each session. Refunds will not be issued.

Bath Township residents will take precedence during registration.

Registration for the April 1 – May 6, 2019 class takes place in the Bath Twp. Offices through March 22. The fee to participate is \$24.00. Scholarship students presenting verification of participation in the free/reduced lunch program at Bath Elementary School will be charged a reduced rate of \$10.00 to participate.
