

Bath Charter Township Parks & Recreation
T-ball 2019
May 20 – June 27, 2019

T-ball is designed as a program to work on the basic **fundamentals** of baseball. Through this league, players will learn the proper batting stance and techniques. Participants will work on the “Break the Window” throwing technique, fielding positions, a proper swing of the bat, the progression of bases, the “ready” position, and how to field a ball. T-ball is recommended for ages 4 & 5 (by May 1, 2019). Players age 5 will be considered for Little Sluggers baseball IF they have completed a year of T-ball. Games and practices will be held in Bath at Wiswasser Park. Practice will be held 1x/week/50 minutes 2 weeks prior to the start of games. As much as possible, teams will be divided equally by gender and age. Once the season starts, no practices will be held. The 2019 season schedule is as follows:

The objective of the community sports program is to provide a safe, positive learning experience for each participant and maximize the opportunity for the individual to have fun and promote lifetime fitness. This is a non-competitive community sports program designed to teach fundamentals, skills, and to play with a team attitude. Good sportsmanship and conduct is expected for all players, parents, coaches and spectators. Violations of these stated objectives will be handled in accordance with Township policy. The following pages contain league information.

Rules & Information

Attendance

- Any youth who is participating under the youth Scholarship Assistance Program (SAP) has a mandatory 80% participation rate for the entire season to be considered for a future scholarship.
- Baseball is a team effort and therefore it is extremely important that all players make practices and games a priority by attending as much as possible.
- Please contact your coach if you are unable to participate.
- Please be punctual when arriving and picking up your player. Our volunteer coaches have family obligations and many times plan their schedule around baseball practice and games.

Weather Related Issues

- Our leagues will follow the MHSAA weather related rules. If during a practice or game, thunder is heard or lightening is seen you must stop play and retreat with your child to a safe place. You MUST wait 30 minutes before you may begin again. If during those 30 minutes you see lightening or hear thunder, the 30 minutes starts over again. Assess your games time limit to determine if you would have enough time to start the game back up if you wait 30 minutes for the weather to change.
- If the temperature or heat index is 90 degrees or higher at game or practice time in Bath, the coach will contact players to determine if s/he has enough players to participate or if s/he needs to cancel.

Cancellations

- Game cancellation information will come from your coach or the P&R Office most generally through an email. If an email is not listed on the registration the phone number will be used and a message left if no one answers.
- Time permitting; cancellations will be posted on the Bath Twp. Facebook Page and on the P&R Cancellation Phone line at 641-5168.
- Cancellations will not be made up.

Restroom

- A restroom is located in the park.
- A player will not be allowed to visit the facility alone. If a parent is not present, the coach will ask an assistant to accompany this player to the restroom, and wait outside for him/her and return to the field when done.

Coaching

- Those approved to coach/volunteer have provided Parks & Recreation with a Coaching Application, Coaches Code of Conduct, passed the CDC online training course, "Heads Up! Concussion in Youth Sports," and passed an ICHAT (background check). If you are interested in helping a coach or coaching, you must complete this same process during registration.
- Parents are always welcome to join and are encouraged to do so as a coach or volunteer.

Equipment & Attire

- Baseball equipment will be stored in a locked container at the field. **No one is allowed in this container except the coaches and those who the coaches identify.** Please do not allow children to climb on top of the container or on the fence at the field.

- Equipment for the game will be supplied by the Township. Equipment includes team bats, batting tee, helmets, and baseballs. Please understand that sharing a helmet or hat is an easy way to spread head lice therefore if you purchase a helmet for your player, sharing is at the parent's discretion.
- Please discuss with your child the expectation that a batting helmet must be worn when in the on-deck circle, at bat and running bases.
- Township uniforms will consist of a Bath Twp. reversible jersey (purchased by parent) and a ball cap (purchased by Twp.). Each player will receive a hat on the first game night. Please plan to wear your hat for all games.
- Players will supply their own baseball mitt and shoes. Close toed and heel shoes must be worn. Metal cleats are not permitted.

- Balls hit allow the batter and runners to advance 1 base only. The last batter will clear the bases and round the bases until s/he reaches home. **Defensive players will remain on the field until the last batter crosses the plate.**
- The offensive team will not take their position on the field until their last batter is congratulated by rounding the bases.
- Coaches will serve as base coaches, catcher and pitcher for their team when on offense. Coaches will assist their team when playing defense by being on the field to give direction to their players.

Participating in and showing your support for the community sports programs is very important. The community sports program emphasis is on playing safe and having fun. These activities are non-competitive and are designed to teach fundamentals, skills and to play with a team attitude. Good sportsmanship and respectful conduct toward others is expected from all. Bath Township appreciates your support and participation in the community sports program.

We are very fortunate to have parents who volunteer their time to offer this program. Without their assistance, we would not have a program. Please, if you do not agree with something that is happening, request a meeting with your coach at a later date. This program should be fun for everyone. Please set at example for everyone involved. Respect, good sportsmanship, and coachable kids all lead to a successful program. Your cooperation is greatly appreciated.

If you have any questions or concerns that you have been unable to resolve with your coach, please feel free to call me.
