

Capital Project Application: Bath Charter Township

Please submit the completed application to the Township Superintendent on or before April 20, 2020. If this is a renewal of a previously submitted proposal, please note that in the project description and attach the previous year's submittal. The completed application should be attached to all of your project's materials and summarize the project.

If applicants have questions, they can schedule a time to discuss the submission in concept with the Township Superintendent. The Superintendent can assist with identifying challenges in the application prior to submission.

For more details or to schedule an appointment, contact Superintendent Karen Hildebrant by email at khildebrant@bathtownship.us or by phone at (517) 641-6728.
