

**Bath Township Parks & Recreation
Be the Change 2020**

With a great deal of negativity in today's world, do you know of someone who continues to give back by making a difference in the Bath community? Maybe they clean up our neighborhoods, provide a free service to others in need or provide another service. If yes, please snap a picture of this person performing their good deed so we can place the photo on the Bath Township Facebook page. We will contact the volunteer to obtain information for the Facebook post.

We'd like to pay tribute to those volunteers who make Bath Charter Township a better place to live but we need your help. Submit your picture to bgoodwin@bathtownship.us for consideration along with any details pertinent to their story.
