Township Updates

- The Township will continue to conduct all Board and Committee meetings via Zoom through at least the end of July. Information on how to participate in virtual meetings can be found on our [website](#).
 - The Bath Public Art Committee is planning a community wide art project for this summer! Let's all make something that expresses our positive response to the quarantine. Create a piece of art and place it in your front yard, using whatever materials you choose. August 8-9 we will invite the community to drive throughout our Township and enjoy our beautiful outdoor art gallery (Be brave, they're really laughing WITH you!). Pictures will be posted online for those who don't have yards which are visible from the road. This is free and open to any Bath resident. More information can be found on the front page of the Township [website](#).
