COVID-19 Office Updates

In light of the community-wide spread of COVID-19 and the latest emergency order from the Michigan Department of Health and Human Services (MDHHS), **the Bath Charter Township offices and the Bath Township Police Department Administrative office will be closed to the public at least through December 8, 2020 in the interest of community and employee health.**

Our Township offices will be available for assistance via phone and email during normal business hours. Residents are encouraged to utilize our drop box, mail, or online payment options for bill payments or other business. Some staff will be available remotely to assist residents. Departments working remotely include Assessing, Planning & Zoning, Communications, Ordinance Compliance/Fire Marshal, Senior Services, and Parks & Recreation. For a list of Township phone numbers, online payment options, and additional departmental service information, visit www.bathtownship.us/covid-19/.

The Bath Township Police Department Administrative office will be available via phone and email on Mondays, Wednesdays, and Fridays from 8:00 – 11:30 a.m. For emergencies and non-emergencies in Clinton County, please dial 9-1-1. For non-emergency calls outside of Clinton County, please dial (989) 224-6792.

Our outdoor park facilities are still available to residents, although we have already prepared them for winter (no restrooms, docks, etc.). Our group fitness classes have been cancelled, including Zumba and Yoga.

While the Township offices closure will be in place for an initial three weeks, there is a possibility that the closure will be extended based on the status of COVID-19 cases in the local area and current public health directives. Administrative and emergency management staff will continue to actively monitor, plan, and communicate about this situation in the coming weeks.

For the latest COVID-19 updates, community members are encouraged to visit www.michigan.gov/coronavirus, www.cdc.gov/Coronavirus and www.mmdhd.org/novel-coronavirus. For updates from Bath Charter Township, visit www.bathtownship.us/covid-19/.

2021 Medication Collection

Help protect Michigan's water supply and avoid medication falling into the wrong hands - do not flush or pour your expired or unused medications down the drain! Bring your expired, unused pill, tablet, or capsule drugs to the Bath Township Police Department for proper disposal. Please no inhalers, patches, injectables (sharp objects), empty containers, or leaking liquids. Pills, tablets, or capsules must be brought in their original bottle (please black out personal information) and place the bottle into the secure location during office hours.

Township Updates

- The Township will continue to conduct all Board and Committee meetings via Zoom. Information on how to participate in virtual meetings can be found on our [website](#).
- The Bath Township Fire Department is looking for responsible, hard working residents that are passionate about the opportunity to serve their community as a paid volunteer firefighter. Those interested can apply by visiting our [employment page](#).
- Newly elected Board of Trustees members will take office on November 20, 2020 at noon.
