Finally, I understand this is only a parcel division which conveys only certain rights under the applicable local land division ordinance, the local zoning ordinance, and the State Land Division Act (formerly the Subdivision Control Act, PA 288 of 1967, as amended (particularly by PA 591 of 1996), MCL 560.101 et.seq.) and does not include any representation or conveyance of rights in any other statute, building code, zoning ordinance, deed restriction or other property rights.

Finally even if the division is approved, I understand zoning, local ordinances and State Acts can change, and if changed the division made must comply with the new requirements (apply for division approval again) unless deeds, land contracts, leases or surveys representing the approved divisions are recorded with the Register of Deeds or the division is built upon before the changes to laws are made.
