Cooling Centers

Cooling Centers offer Tri-County residents a place to go to escape the heat for at least a few hours a day. This is especially important for seniors and people with chronic health conditions. Cooling Centers are only open when weather is dangerously hot.

Free rides to Cooling Centers are available for residents with a physical and financial need through CATA, EATRAN, and Clinton Area Transit. Residents should call 2-1-1 for more information.

A full list of Cooling & Warming locations in Clinton, Eaton & Ingham counties can be found on the Township website at www.bathtownship.us.

Hot Weather Safety To-Do List

- Check on neighbors or family members without air conditioning who may have a hard time getting out of their home.
- Make sure pets have plenty of water and a cool place to rest.
- Take care of yourself by avoiding strenuous activity during the hottest part of the day and by spending at least a few hours a day in a cool place.

Township Updates

- The Township Offices, Police & Fire Administrative Offices, and the Senior Center will be closed on July 4 & 5 in observance of Independence Day.
 - The Bath Farmers Market is closed on July 4 in observance of the holiday.
 - U6 Soccer fall registration is now open and will continue through July 31.
 - August Primary Election: Tuesday, August 6, polls open at 7 a.m. and close at 8 p.m.
-
